

**Reflection:** This week's Gospel gives us, one of those rare but wonderful insights into the mind of Jesus. We see, at first hand, not just the frustration, tiredness and stress he suffered in striving to share the Kingdom of God with us, but we also see in his desire to reveal that Kingdom something of the wonder and beauty and peace and joy that God has prepared for us. But we, none of us, must ever take the Kingdom of God for granted....and that is the message of this Gospel.
