### WE NEED YOUR VOICE!

The Cathedral Choir needs new members and now is the time to join if you would like to sing with us this Easter.

We also sing at Christmas, and every Sunday at 12 noon mass, but we have the summer off from Corpus Christe Sunday onwards.

Most importantly, we rehearse on Thursday evenings from 7:30 to 9:30, and aim to keep our repertoire relevant and fresh through both revision of our repertoire and the addition of new music.

Its a serious committment because we are serious about good music serving the liturgy. Are you?

If so, please ring 061` 414624 to find out more.

### St Brigid

St. Patrick isn't the only saint that gets a day of global celebration. Ireland's second-most beloved saint, Brigid, has her special day on February 1. Brigid is associated with many miracles related to healing, and it's fitting that the day to commemorate her.

It is also the traditional first day of spring in Ireland. February 1 is when the daffodils start to bloom, the evenings start to lengthen, and the gloom of winter goes on its way. It is also traditional to make St. Brigid's crosses out of rushes people believed that these crosses would protect their homes from fire.
