

Reflection: And what of us hearing this Gospel today? What is Jesus saying to us? Most of us are not living in a time of persecution. Nonetheless, we live in a time of uncertainty and fear. The traditional supports of society - family, faith, political structures, truth - no longer provide security or certainty. Individualism, loneliness, exclusion, force us ever further apart. For us this Gospel is both a warning and a promise. The Gospel message preached by Jesus is for all people. Inclusion, openness, acceptance of difference, community, are the pillars on which the Church is built.
