

Reflection—The Most Holy Trinity Without doubt the greatest mystery of all is the nature of God 'him'self. God has revealed 'him'self to us as 'One God, in three distinct Persons.' God has also revealed 'him'self to us as 'LOVE'. We don't say "God loves.....", like God is 'doing' something. No! God IS love. There is nothing in God except love. God doesn't 'do' anything because God IS Love. Anybody who tells you they understand this is lying to you, but anyone who tells you they understand bits of it, and know they will understand more bits each time they reflect on it, is telling you the truth.
