

### Reinstatement of Sarsfield Gate

On **Saturday 6th July at 10.30am** we look forward to welcoming the new Mayor of Limerick Mr John Mayor and the French Ambassador, His Excellency Vincent Gueren, the Honorary Consul of France in Limerick, Dr Loic Guyon who will be present to celebrate the reinstatement of the gate from Cathedral Place to the Sarsfield statue. The reinstatement is the result of a team effort supported by local businesses Macro Stainless, Shortts Stainless, Ford's and The Gathering Cons & Events and involving the following people: First and foremost, Derek Hannon who designed the new gate, made it and installed it. The Garryowen Residents Association who funded it, Tom O'Brien and Garry Jackson who initiated this project and Tom Cassidy, Conservation officer with Limerick County Council and Loic Guyon.

**All are welcome to join us for this historic occasion.**

**Parish Office:** The Parish Office will be closed from Monday 1st July and will reopen 8th July at 9.30am.

### Providing compassionate care at the end of life

**Dear all,** To address the sensitive issue of compassionate care at the end of life, and in response to the need to inform the faithful of Catholic teaching on this important life issue that affects so many families, the Bishops of Ireland have published the pastoral letter: *Freedom to Live Fully, Until Death Comes*. You are invited to read this letter and view the accompanying video *Through the Valley*, which offers personal testimonies by carers and people with terminal illness. The key message of both letter and video asserts that every person possesses inherent, infinite dignity that remains intact regardless of their circumstances. In this context, bishops strongly oppose the Oireachtas Committee's proposal to Government to legislate for assisted suicide, and call on support for healthcare workers who uphold the sanctity of life.
